Dear Karen:

In compliance with the terms of the Low-Level PCB Disposal Approval Issued to NRECA members listed in Appendix II of the approval, I am providing you an update on NRECA membership.

1. Caddo Electric Cooperative (Binger, OK) and Kiwash Electric Cooperative (Cordell, OK) have merged and are now known as CKenergy Electric Cooperative, Inc. Both Caddo and Kiwash are listed on Appendix II.
2. Hickman-Fulton Counties RECC (Hickman, KY) merged with Gibson EMC (Trenton, TN). Both Hickman-Fulton and Gibson are listed on Appendix II.
3. Tex-La Electric Co-op of Texas (Nacogdoches, TX) and Sam Rayburn G&T, Inc. (Nacogdoches, TX) have merged with East Texas Electric Cooperative (Nacogdoches, TX). Both Tex-La and Sam Rayburn are listed on Appendix II. For some reason East Texas Electric Cooperative is not.

Actions Requested:

1. Please **add** CKenergy Electric Cooperative to Appendix II and **remove** Caddo Electric Cooperative and Kiwash Electric Cooperative. I would hope that CKenergy, since it is a new entity formed from two entities listed on Appendix II, could be listed immediately without requiring public notice. If you determine that public notice is necessary, I request that Caddo and Kiwash remain on Appendix II until CKenergy can be added. Only when CKenergy is added should Caddo and Kiwash be removed.
2. Please **remove** Hickman-Fulton Counties RECC from Appendix II.
3. Please **add** East Texas Electric Cooperative to Appendix II. Please do not remove Tex-La and Sam Rayburn from Appendix II until East Texas has been noticed and approved to be added.

Please contact me if you have any questions about these changes in NRECA membership.

Sincerely,

Dorothy Kellogg
